Find and fix punctuation problems in this passage:

Because she was stubborn, and immature she decided to use her knees to steer the wheel but while she was steering she looked down because she noticed that she had found what she was looking for. As she reached her arm for it the car swerved, she regained the wheel, then while they were on the frontage road she tried again the car swerved again for the second time and everyone in the car screamed hysterically.

Sentence Boundary Errors Revealed
